Assessor Comments	Buyers on offer is a very neat line of exceptionally well bred maiden first cross ewes. These ewes are from the Marra district and sired by Gleneith Super Border Leicester rams and bred by EX Sleigh merino ewes from Jerilderie. These ewes are really starting to do extremely well and move ahead. These ewes make an excellent opportunity for the purchaser to top up flock numbers and take home to join with the Ram of their choice. Previous purchasers of these ewes have noted high fertility and the ability to turn off early suckers with weight given the right opportunity. Potential purchasers can bid with upmost confidence.
