	North/Western station bred cattle that flowed well through the yards with minimal pressure needed, steers have had experience up a race, including mustering and drafting the previous day.		
	Aerial (Helicopters, gyro's and planes) , Bikes , On foot , Vehicles		
Notable Traits	Traits 2 Head Blue Eye		
Assessor Comments	Offering 88 Angus/Charolais/Charbray Cross Spayed Heifers. All heifers were weighed after having minimal access to hay and water overnight, ranging from 373 to 516kg to Av. 456kg. On Monday the day prior to assessment all cattle were mustered, walked over 5km and drafted as a mob of 1,200 head, so they have had big yard time and curfews. They were mouthed to be 45% Milk teeth and 55% breaking or full two teeth. These heifers are spayed, MSA accredited, HGP-free and display very good frame, bone and shape, making them well suited to perform in the feedlot or finish on an oats crop. They are vendor bred out of medium to large framed Brahman, Charbray and Brangus cross cows and sired by quality bulls including Texas, Ardrossan, Murdeduke Angus and Palgrove Charolais. Please note that there are also another run of 5 decks of 120 Angus X steers and 2 decks of 48 Charolais X Steers being offered in the same sale.		
Assessor	Tom Boyle (Level 1 Accredited) Parallel Assessed By : Sam Paine
