Assessor Comments	Buyers, on offer are 64 VGQ Hereford weaned Steers. These steers would be ideal to take through to heavier feeder weights or keep and take through to kill weights at a young age, suiting all the domestic and export markets. These steers present in strong store condition and given the right opportunities will continue to go ahead for intending buyers. Steers stand on good bone and show plenty of softness, Length and Depth. Steers have been bought by repeat buyers and come recommended. ** Buyers please note 2 x steers were tipped at assessment to tidy up around the heads**.
