Assessor Comments	Buyers, this is a good line of healthy light weight Burigal EU Angus & Angus cross heifers that present in store condition averaging 196kg. These heifers show nice length of body with plenty of volume and depth of flank. Heifers show nice natural muscling, softness with skin. Heifers are very feminine types. These heifers are only young being 5 to 7 months and not normal sold this early due to failing seasonal conditions.They are bred out of medium to large frame soft Angus cows by top quality stud Lawson, Carabar & Circle 8 Angus sires. Heifers worked very quietly through yards and will be handled right up to trucking. Note 3 steers have old blue eye scaring but not detrimental.
