Assessor Comments	Buyers, this is a good line of healthy light weight Burigal EU Angus & Angus cross steers that present in store condition averaging 195kg. These steers show nice length of body with plenty of volume and depth of flank. Steers stand on nice bone with natural muscling, softness and skin. These steers have good weight for age only being 5 to 7 months and not normal sold this early due to failing seasonal conditions.They are bred out of medium to large frame soft Angus cows by top quality stud Lawson, Carabar & Circle 8 Angus sires. Steers worked very quietly through yards and will be handled right up to trucking. These steers have a great reputation for temperament and doing ability. Note 2 steers have old blue eye scaring but not detrimental.
