	Heifers were very good to handle and walk through the yards well. The odd heifer stirred up a little bit when caught in crush however settle well back with the mob.		
Handled With	Bikes , On foot		

Assessor Comments	Buyers on offer is a good quality line of predominantly Charolais X weaner heifers. They are a nice line of soft Heifers that stand on good bone and would be ideal heifers to put back in the paddock and get to heavier feeder weights. These heifers present in store condition and would power forward for you. They are very quite and very easy to handle.
