Assessor Comments	Buyers, on offer 87 Angus X Angus steers that were purchased out of New England and Central NSW weaner sales and are only being sold due to no longer fitting within future programs of the vendor. A huge compensatory weight gain is on offer for these steers being in store condition. Whether it be on grass, crop, or grain these cattle will excel. Please note a small number of steers presented with blight scarring but was not deemed an issue. A great line of Angus x Angus steers that offer a great opportunity for the purchaser.
