Assessor Comments: Outstanding line of Hereford Feeder steers ready to feed on, these steers have been on a paddock ration of gran, barley hay, molasses and lime for the last 6 weeks. these steers are out of a great line of Hereford commercial cows, by Both a Pole Hereford Bowen stud bull and an Ironbark Hereford bull. there is a small amount of scur and very little amount have been dehorned. All steers have had 5 in 1 needle in April and were given a bovimec on 7th July.
