Assessor Comments	A quality line of Angus EU Steers. These steers are by Pine Creek Angus Bulls and are out of quality Millah Murrah blood cows. The majority of these steers are Aug/Sept drop with the odd heavier steer being April/May drop. This is the lead draft of the Limekilns steers and have been been individually weighed 320kg and over. Steers are now on the front foot and would be ideal to take on for feeder or export markets
