Assessor	Nice light 2 decks of Shorthorn X steers that are powering ahead currently on cereal crop. These steers have performed well and are showing great weight for age. The steers are already starting to shape up nicely and showing some softness and will finish off nicely. In the past these steers have been noted to perform well in some major feedlots. Please note there is another 30 Red Angus steers similar weight 6kms down the road to make up a full truck load.
