Assessor Comments	Vendor bred Red Angus steers that are an ideal feeder weight to finish on grain or grass. Really powering ahead currently and present in terrific condition. These steers are all up to date with there health treatments and have just recently been drenched as well. There is years of breeding behind this Myocum Red Angus herd and has always selected high performing sires within the bred. Offered both cent/kg or dollars per head, this will suit the restocker and feedlots the same, as well as another 44 Shorthorn X steers similar weights only 6kms down the road. Buy with confidence these cattle will do really well.
