Assessor Comments	A quality line of 19 young Broadwater Angus sired heifers weighing 297kg curfewed at assessment. These well-bred heifers present in store to forward store condition, displaying excellent frame, femininity and softness with strong weight for age and future growth potential. Currently grazing native pastures and being supplemented with XLR8 pellets, they are performing well and are ready to continue through a backgrounding program. Their Angus genetics make them ideal as future breeders, while they are equally well suited to Angus feedlot programs, paddock to plate operations or being grown through to heavy processor weights. A genuine, even line of versatile heifers offering buyers multiple marketing options.* Buyers please not same vendor has another heifer lot & 2 Steer lots in the same sale.*
