	Steers were good to handle throughout the assessment process with only 4 steers slight unsettled when under pressure or in the race and crush.			
Handled With	Bikes , Dogs , Horses , On foot , Vehicles			
Assessor Comments	26 Good quality Angus & Angus cross steers weighing 368kgs curfewed at assessment. These steers are currently grazing an oats crop, doing daily gains of approx. 0.8kg/day and present in healthy forward store condition with good frame and growth for age. Ideal for the domestic feedlot markets, could also be further backgrounded on pasture/ crop before entering any Angus/ heavy feedlot programs, or taken right through to heavy grass-fed markets. * Buyers please note some small rub marks on a couple of the steers but not deemed detrimental to their health.*
