Assessor Comments	100 very well bred F1 Wagyu Angus weaners. The Noorilim Partnership cow herd is pure Rennylea herd, selling to Rangers Valley feedlot the last 4 years with very positive feedback and great carcass data. The lead portion have already been consigned to Stanbroke but unfortunately the failing seasonal conditions dictating the early sale of these. Sired by high indexing Sunnyside and Trent Bridge Wagyu bulls. See kill feedback in photos. The sex break up on this lot is 51 steers and 49 heifers. An opportunity to buy some very well bred F1 weaners to go on with. These Cattle come with the highest of recommendations. This vendor has another lot of 95 F1's in this sale.
