	Wonderful heifers to handle. Well educated, moved through yards and over the scales quietly.					
Handled With	Bikes , Dogs , On foot , Vehicles					
Assessor Comments	A very classy lot of 12 weaned Hereford heifers. These heifers show all the signs of quality breeding for years. Growth for age, long bodied, square, heavy bone and good shape/pattern. These heifers are also soft. Clean healthy coats and in present in fresh condition. The odd heifer has slight rub marks - they were treated with Cydectin Por On the day before assessment. Easy to handle with quiet temperament. All by Stud Hereford Bulls (Glenholme and Supple Hereford Bulls), out of large frame home bred cows. They should make outstanding future breeders likewise meet domestic and export markets. These heifers were marked as future breeders/replacements however due to the season are now being offered for sale. Ideal heifers for large or small operations. Vendor bred, Grass Fed & Antibiotic Free. NB vendor has another 5 heifers in same sale.
