Handled With	Good to handle. Travelled through crush and yards with ease. Some steers agitated on weigh platform but settled quickly. Bikes , Vehicles		
Assessor Comments	Good quality line of Angus steers that have been backgrounded on pasture. Steers are well grown and ideal condition for crop or feed with high compensatory gain expected if given the opportunity. Steers have had 4 weeks on forage Barley so all the hard work is done and they're starting to turn the corner and power ahead. Some steers missing hair typical of starting on crop in the colder months. Lead draft out of 120 head.
