Cattle have a great nature and have been since purchased. Cattle are moved on foot and bikes with ease. All steers flowed through race/crush with ease whilst being mouthed and weighed.

Handled With

Bikes , On foot , Vehicles

Notable Traits

Traits

1 Head Old Pink eye Scar

Assessor Comments

Buyers a Small line of Angus Steers that are showing great growth and not carrying any excess condition. Steers have been running on natural grasses and have had great gains since purchase. Cattle are all up to date with treatments and would be ideal to put on a crop and take on to future heavy feeder cattle or the market of your choice.

Assessor
