	All steers worked very well and have been handled plenty. They walk through the yards steady however the odd steer did stir up slightly when caught in the head bale.		

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Buyers on offer is a line of 21 very good quality angus steers. These steers are very quite and are very easy to handle through the yards. These steers would be ideal to put away and grow out to target the angus heavy feeder market.
