Assessor Comments

40 Angus steers presenting as line of genuine backgrounding cattle. These steers have simply run out of feed, offering purchasers an excellent opportunity to secure cattle with plenty of compensatory weight gain ahead. The steers are all frame, with the majority presenting fresh in the coat and showing the type and constitution to go forward quickly. A terrific backgrounding opportunity with plenty of upside, ideally suited to purchasers looking to add weight and take these steers through to heavier feeder or finishing weights.
