Handled With	Well educated heifers that were a pleasure to handle in the vendors excellent facilities. 2 heifers were agitated in the crush at assessment but settled once back with the mob Bikes , On foot , Vehicles			
Notable Traits	Traits 1 Head superficial ear damage due to tag rip			
Assessor Comments	A very well bred line of Angus Performance Recorded heifers. These heifers are showing great weight & growth for age. The Rossrich herd are highly regarded in the local area for quality angus cattle. IMF has always been a high priority for genetic selection at Rossrich (this group Av +3.8). Bulls bred from the Rossrich stud are keenly sort after, testifying to the quality & success of this seedstock program. The Rossrich genetics are well recognised and feature regularly in the NVLX Barnawatha store sales. These heifers will be an asset to any quality cow herd. Highly recommended. Small tail removed at assessment. Please these heifers average EBVs are attached in documents.
