Handled With	On foot , Vehicles		
Notable Traits	Traits 1 Head Black spot on shoulder (refer to media) 1 Head Light amount of warts on neck 10 Head Old pink eye scarring one eye only		
Assessor Comments	A/C Tarabah Livestock Co. "Tarabah Station", Morundah NSW, offer a neat four-deck load of 132 classed-in, pregnancy tested empty (PTE), pure Wirruna blood Poll Hereford heifers that are 17–18 months of age, being March/April 2025 drop with a weight range at assessment of 320-415kgs to AV 335kgs curfewed. Tarabah have been using specially selected Wirruna Poll Hereford bulls for 29 years, which are renowned for their moderate frame, easy-doing ability, outstanding carcass characteristics, and strong maternal traits, all of which are shining through in this quality run of females. The heifers present in fresh, forward store condition and would be ideal to fatten rapidly on grass or grain for domestic and/or export markets. Alternatively, the heifers have the weight and maturity to be rejoined for a 2027 breeding program. Tarabah run a holistic rotational grazing operation, where cattle are moved regularly from paddock to paddock, which contributes significantly to the excellent temperament. Please note the strict one day delivery period: Monday 17th August, 7:00am–6:00pm. (Weather permitting). Also note that the same vendor offers one other line of 153 heifers in the same sale, totalling 285 head, which would make a neat eight decks of one-mark Greenham's Never Ever accredited Poll Hereford heifers on offer.
