Assessor Comments	Nice line of well-bred Angus steers averaging 424kg at assessment. Bred out of large frame Te-Mania blood cows and sired by Bull Oak Well bulls, these steers show great depth of body & weight for age. Some steers showing old signs of rubbing but have been treated with Mectec 10/6 so not detrimental. These cattle are ready to perform and come highly recommended. Vendor also has 2 Speckle Park steers that can be negotiated with successful purchaser.
