Assessor Comments	60 vendor bred Angus steers that are well bred and display good frame and bone. Steers sired by Sara Park and Bowen Angus bulls out of Raff Angus blood cow herd. Steers have been running on native grasses and clovers with access to feed bin with cracked barley and feedlot mineral supplement and would normally taken through to Angus feeder markets. Steers that will perform well on good quality feed and would be ideal to carry through to heavy feeder or bullock markets. Please note vendor has a lot of 61 heifers in the same sale
