| Assessor Comments      | On offer are 20 Hereford, Santa & Shorthorn Weaner Steers. All calves were purchased ex Dubbo, Carcoar & Forbes. They have been grazing on oat crop and radish as of recent and are really starting to power head with some warmer weather putting on 0.8kg a day. They were a pleasure to handle through the yards. An attractive line of calves to take into the spring with the recent rain and abundance of feed. |                                           |                                     |
