	All calves were a pleasure to handle through the yards. Drafting and weighing were a breeze. Temperament was due to being well handled with dogs whilst on the property.

Assessor Comments	On offer are 24 Angus x Santa Weaner Heifers. All calves were purchased ex Dubbo, Carcoar & Forbes. They have been grazing on oat crop and radish as of recent and are really starting to power head with some warmer weather putting on 0.8kg a day. They were a pleasure to handle through the yards. An attractive line of calves to take into the spring with the recent rain and abundance of feed.
