Assessor Comments	Buyers, to be offered for sale are 37 Angus Heifers. Vendor bred cattle, Milwillah and Te Mania Angus Blood. Averaging 381.2Kg Full at assessment, individually weighed 330+Kg to top at 428Kg. August/September 2025 Drop. These Heifers are well on their way to joinable and feeder weights or to take further into heavy kill cattle. These Heifers have not had an opportunity with a Bull. They are medium to large frame cattle that would suit to continue to grow out and mature into a breeding program. Well bred cattle that have been handled and managed well. In good forward and fresh condition. A small percentage do present with dag due to running on wheat and oat crops. A great opportunity to secure vendor bred Angus Heifers that are well advanced in their weights. Buyers please note, Vendor is also offering Steer draft in the sale consisting of 30 head.
