Assessor Comments	A great opportunity to purchase a line of angus steers, direct from the breeder. These steers have an excellent reputation of being high performance cattle. The weights are accurate from farm scales with low and high from 307 kg to 389 kg full at assessment. Note on 4 steers under 350 kg. Bovilis MH + IBR was also given bottle number is available on request. The steers were a pleasure to handle and have been professionally weaned, by highly experienced managers. Ideal feedlot cattle, or grow out to heavier weights. Grass declaration can be signed if required. Note other lot same vendor this sale to help make a b-double load if required. All care was taken weighing these steers accurately, buy with confidence.
