Handled With	Bikes , Dogs , On foot , Vehicles			
Notable Traits	Traits 2 Head Slight old eye scar			
Assessor Comments	* Buyers a rare opportunity to secure some Yamba Angus Commercial Females * Offered are 60 weaned Angus Heifers, Grass fed - August/September 2025 drop, 305kg average. Heifers are bred from the renowned Yamba Angus Stud Cow herd with 25 years of breeding. Al'd by Industry leading Angus Sires such as - Sovereign, Versatile, Goalkeeper, 38 Special, Gibson, Patriarch. Females were weaned for 2 weeks in the yards on hay, they are well handled and are quiet. Heifers are very true to type, show outstanding depth and capacity at such a young age. They have gained at 1.5kg per day on average over the last 6 weeks on the crop, heifers would be an asset to any herd. Regretful sale, only selling due to numbers. " Yamba Angus is very proud to have supplied sires that contributed to this year's winner of the champion carcass at Beef Spectacular. These heifers are definitely not culls they are good quality females and good herd improvers from our stud cows" * Great opportunity to purchase some high quality Angus heifers straight out of the Yamba Angus Herd, bred to perform*
