Assessor Comments	A great opportunity to purchase a run of one mark vendor bred JULY/AUGUST drop weaner steers. Very good cold country genetics and are proven performers, they are showing a good sized frame and aren't carrying a lot of nick and will no doubt explode with a warmer climate and plenty of feed, Please note buyers sisters are in the same sale and there is a steer with old pink eye scarring in one eye, also a small amount of ringworm around a couple of eyes not deemed detrimental.
