Assessor Comments	A quality B Double line of classed in breeders on offer with plenty of stretch, depth and a great temperament, these heifers are generally retained but are surplus to requirements this year. These heifers are really on the go now to take through to the bull, feedlot weights or further on. No short cuts in the weaning programs, in these cattle. Highly recommended, purchase with confidence. Note : buyers please note old eye blemishes and ringworm in photo's not detrimental in assessors opinion
