Assessor Comments	A very neat line of vendor bred one mark Angus steers. Steers are sired by Bongongo & Spring Hill Angus bulls and out of high quality Bongongo blood Angus Cows. Steers were yard weaned for 10 days on high quality cereal hay before going onto an Oats & Rye grass crop. The steers have had everything thrown at them including two 7 in 1s, B12, Multimin as well as being well upto date on drenching. An opportunity to purchase well bred steers that have had all the hard work done and are now ready to continue onto heavy feeders or to domestic or export kill weights.
