Assessor Comments	This is a well bred line of Angus heifers. There are 4 heifers with white underneath. These calves have been bred in undulating to steep country. Given the opportunity on supered country these calves should bounce away. Sired by Dunoon and Urban Angus bulls. The cow herd is based on C & K Meyn bred cows. The temperament in these calves is outstanding. Grass fed and antibiotic free heifers are being sold due to very dry conditions prior to winter and conditions not changing. Vendor has 1 other lot in this sale.
