Assessor Comments	A great opportunity to purchase 52 outstanding EU Vendor Bred Hereford Steers off Springfield Pastoral. These steers on offer are the lead draft of their 2025 Autumn drop steers and are 17-18 months. Springfield for many years now has purchased leading sires off the respective Mawarra & Sugarloaf Hereford Studs putting a real emphasis on traits such as Growth, Positive Rib&Rumb and +IMF. Absolute guarantee that no expenses have been spared in the genetics of this Hereford Herd with numerous Bulls been used throughout there breeding program costing upwards of \$20,000. They are bred from large to very large framed Hereford cows and present in ideal condition to take on that would certainly suit any grass and or grain fed programs. They were dehorned & marked using pain relief. These steers are Greenhams Never Ever Accredited and PCAS Accredited. Steers that are bred to perform and will definitely not disappoint!
