| Assessor Comments                     | Offering a small, extremely quiet line of well bred Angus Steers on behalf of the Fitzgerald family. The vendors have handled the cattle regularly and use low stress stock handling practices resulting in a well mannered, user friendly line of steers. Cattle are often yarded on foot or by being called, with the temperament displayed being a true result of a limited stress environment. With length, frame and exceptional temperament, this article would be ideal to target multiple avenues such as feeder, trade or export markets. |
