Cattle are generally good to hand, just a few get stirry under pressure or noise.																			
Handled With	Vehicles																		
Assessor Comments	102 Watervalley Black Angus heifers, being a run out the gate from a line of 204. These heifer present in forward fresh condition and show very good frame, stretch and bone. All weighed from 260 kg to 320 kg. They are capable of fast compensatory weight gains given opportunity. As they are bred on light sandy country, and preform well on good hard feed. All in an all they are an very even line, offering the opportunity purchase 1 mark vendor bred Angus heifers to put away in the paddock. The Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases. These heifers have been PT Empty on 21/08/26. A great opportunity to purchase a even line of heifers in b-double load.
