Assessor Comments	Offering 59 quality Santa/Angus Cross heifers. The heifers were 281kg live at assessment after a night in the yards on hay and water. These vendor bred heifers present in fresh condition and look to be still going forward. The heifers are well bred and show good bone and frame that will grow into heavy feeders or the lead will make good replacement breeders. Don't miss this opportunity to put away a quality line of Santa/Angus cross heifers that have a solid reputation to perform. Please note there are another 3 decks of Santa heifers from the vendor in the same sale.
