| Assessor Comments                     | Offering 102 good quality Angus and Angus Cross Steers. The steers averaged 279kg live at assessment. The steers are all branded No.6 and were weaned in May. They are sired by NB Genetics Angus bulls and are currently in store condition, growing frame but not much condition. The steers are very quiet to handle and are currently not carrying excess condition, with plenty of compensatory gain for the purchaser. Don't miss this opportunity to secure a handy three deck line of backgrounder steers that have had all the hard work done and are ready to power away. Please note 1 steer was sighted with old blight scarring in one eye, some with some light rubbing and one with a white underneath. |                                                                          |                             |            |
