Handled With	Cattle handled well in yards using common sense cattle handling skills. See media Bikes		
Assessor Comments	Angus cross yearlings 6 to 12 months of age. Bred form Lawson blood Angus bulls. Cattle are vendor bred and are performing well given current favorable seasonal conditions.. Yearlings should continue to perform given the right conditions. Cattle would be ideal to fatten or grow out to heavy feeder weights. Well educated Yard weaned and tailed out. Complete drop of weaners. please note 2 with light blue eye, approx. 3 marked at assessment & horned cattle dehorned 10/8/2026
