Assessor Comments

Buyers a great opportunity to secure a 1 deck line of Vendor bred lightweight weaned ,store condition Angus/Ultrablack and Charolais/Santra heifers. All the hard work is done, fully weaned and educated and ready to power ahead on good feed with plenty of compensatory gain to be had. Heifers were early weaned over a few months due to seasonal conditions and trucked to vendors Glenmorgan Property. Ideally suited to take through to domestic or heavy feeder market. Please note two have old blight scarring in one eye and some showing lice rub marks.Vendor has 5 other mobs this sale to help with freight.
