Assessor Comments	Buyers a great opportunity to secure a 1 deck line of Vendor bred lightweight weaned ,store condition Angus/Ultrablack and Charolais/Santra steers. All the hard work is done, fully weaned and educated and ready to power ahead on good feed with plenty of compensatory gain to be had. Steers were early weaned over a few months due to seasonal conditions and trucked to vendors Glenmorgan Property where they are now grazing on short oats crop.. Ideally suited to take through to domestic or heavy feeder market. Please note two have blight scarring in one eye , one being cut later at weaning and some showing signs of lice rub marks.Vendor has 5 other lots this sale to help with trucks.
