Assessor Comments	Buyers, on offer are 116 weaned store condition Hereford and Hereford Angus cross infused heifers. Heifers would be ideal to put away and take through to heavier feeder/kill weight at a young age. Heifers would suit all your domestics/export markets whether it's in the feeder or processing grids. Heifers could also be retained as future breeders and joined to a bull of your choice when the time comes. This is your opportunity to buy weaned heifers with plenty of compensatory weight gain to be had. ** Heifers were Scanned at assessment to be Preg Tested empty**.
