Vendor Comments	Good steers really on the go.		
Temperament	Yards	Crush	Paddock
	Quiet: 20 head Slightly Stirry: 8 head	Quiet: 19 head Slightly Stirry: 9 head	Temperament not assessed in Paddock
	Steers handled reasonably well, could draft and walk amongst them. Nothing showed aggression but there were steers that had some rush about them when pressure was applied quickly calming once pressure was removed, or had some rush through the gate.		
Handled With	Bikes , Dogs		
Assessor Comments	Buyers 29 Angus Angus cross steers 251.3kg at assessment really on the go. Have been running on oats for last 6 weeks prior to assessment. These steers should not disappoint if given the opportunity and should go onto meet most markets. Please note, vendor runs Brangus and Angus cows, these steers are by those cows, some steers do show sheath (approx 10). Steers are healthy and are starting to loose dead hair, 3 steers could show more of lice rub. 1 steer seen with cloudy eye Also note that management tags will be removed at delivery. Vendor has heifers in todays sale as well.
