Assessor Comments	Here we have a good line of well bred Millah Murrah blood Angus steers weaned up and ready for spring. These steers are mostly by Al Millah Murrah Rocket Man & are out of Millah Murrah/Te Mania cows. Calves this age on the doorstep to a cracking spring are very hard to find & they should do very well given the opportunity. All of the hard work has been done being weaned for 8 weeks running on crop & having all of their health treatments done. Vendor has another lot in the same sale. Highly recommended.
