|                        | Quiet, well handled weaners.                                                                                                                                                                                                                                                                                                                                                                   |                |                                     |
| Assessor Comments      | A nice line of steer weaners that would do up very quickly on the right paddock. From a large framed cow herd of mixed breed by a well bred large framed Angus bulls of Kenny's Creek blood lines. 2 other lines of brothers and sisters in same sale. This lot are slightly older than the other 2 lots. Average of 273kg at assessment.                                                      |                |                                     |
