Assessor Comments	An opportunity to purchase a high quality line of young Charolais & Santa cross steers backed by reputation and quality genetics. These steers are sire by top quality Palgrove & Killarney Park Santa sires and display fantastic length, depth, frame and softness making them ideal future heavy feeder prospects to meet a number of domestic markets. The steers in this lot are the top of the drop and drafted in weight from 280kg-359kg. The steers in this lot were very good to handle through the assessing and drafting process with minimal fuss and with further education by the vendor they will be an easy no fuss line of cattle to handle. These steers were weaned on the 31st of August and will be fed quality hay as well as being handled and educated until delivery and with the yard time all steers in this lot will offer plenty of compensatory weight gain to the successful purchaser. A fantastic opportunity to purchase steers that are noted performers and will go on and perform for you on grass, crop or grain. Please note the vendor has multiple other lines of steers in the same
