| Comment on Fat Score 1 Cattle      | All cattle are fresh store to forward store condition and will travel well. All weaners are trucked into house yards so are use to being on a truck. |  |  |

| Assessor Comments             | Buyers an opportunity to buy 2 decks of VGQ PCAS eligible Charolais X weaned heifers. These heifers have all the right bloodlines and genetics and are best described as medium to large frame relative to age. Heifers have been weaned for over a week to three weeks at delivery and are very well educated by vendor through yards. A very reputable line of cattle for sale that will be ideal to put away on grass and grow out to heavier weights. These cattle have plenty of bone, length, depth & confirmation. Cattle have a good performance record and will suit to grow out to heavy feeder weights or future breeders. Buyers please note this line includes 2 x family brands. |                                                                                                                                                                                       |                                     |
