Assessor Comments	Buyers a great opportunity to secure the lead 2 decks of the Burenda Charbray no 6 weaned steers .Steers are out of large framed Charbray and Ultra black cows sired by DBR Charbray bulls . Steers stand on good bone with length and depth of body coupled with tremendous weight for age .Ideally suited to go onto crop or pasture and take through to lucrative Grass fed programmes as they have had no hgp ,antibiotics or grain. Alternatively they would suit the domestic feeder market as the DBR steers are proven performers on grain and are sought after by repeat buyers when normally sold at heavier weights. Vendor has 4 decks black brothers this sale to make 2 Bdoubles.
