	Some heifers were impatient and unsettled in the crush and race, with some bellowing in the headbail. Drafted and handled well in the forcing yard, with no aggressive behaviour shown. Impatient as a mob in the back yards, could be easily blocked and controlled when needed.

Assessor Comments	A nice line of Angus cross heifers. Good-quality heifers that show good growth for age, frame, bone, and muscling. These heifers would normally be grown out to heavier feeder weights but are being sold due to seasonal conditions. Please note that the vendor also has another lot of 21 Charbray heifers in this sale.
