Assessor Comments	Buyers look no further all vendor bred quality coastal cattle, all the hard work done here! No milk weight in these and heaps of frame off the light coastal country which has been very dry. Born and bred in the hills with plenty of lantana. **Guaranteed clean of ticks, no cost to buyer. **Vendor has multiple lots in this sale. All These cattle are mainly sired by Euro sires out of Brahman Charbray and Droughtmaster cross cows. these are ideal heifers to grow out to heavier weights.
