Assessor Comments	On offer is an excellent line of trade heifers, ready to move into the heavier markets. These heifers were purchased with the intention of growing them out for the heavy trade market or further fattening into the export market. However, due to the ongoing dry seasonal conditions, the vendor has made the decision to offer them for sale. A quality line of heifers with plenty of growth and weight ahead of them. Please note: The same vendor has another lot offered in this sale.
